**Member 1 Year Fixed Rate ISA - Issue 68**

Account Name	Member 1 Year Fixed Rate ISA – Issue 68
What is the interest rate?	4.10% Tax-free/AER fixed until 29 April 2026. AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added each year. Interest is paid tax free and is free from UK income tax and capital gains tax. Interest will be added to your account when the account matures on 29 April 2026. Or, if you prefer, the interest can be transferred to another account with us or paid to your UK nominated bank account. You can find details of all our savings interest rates at <a href="http://www.scottishbs.co.uk">www.scottishbs.co.uk</a>
Can Scottish Building Society change the interest rate?	The interest rate is fixed for the term of the account. This means that the rate will not change between the date you open your account and the maturity date.
What would the estimated balance be after 12 months on a £1,000 deposit?	A deposit of £1,000 at 4.10% Tax-free/AER would generate an estimated balance of £1,041.00. This projection is for illustrative purposes only and assumes that no further deposits or withdrawals are made. The illustrative example does not take into account your individual circumstances.
How do I open and manage the account?
